Michelle Li, owner of Wasabi Sushi Bar & Lounge has been running with Valpak since November 2009, for over 7 Years! Michelle first started running with Valpak to bring in New Customers. When we asked Michelle to tell us how her Valpak programs were working for her she *stated* **"We see about 15-20 coupons per week. We see many NEW Customers each week as well. Valpak works very well for us as it helps us to increase our awareness in the area. We are Very Happy with the results!"** We then asked Michelle how Valpak compares to other forms of advertising she does and she went on to say **"Valpak outperforms Community Values plus we get a lot of on-line coupons as well which the other marketing firms to not even offer. WE would highly recommend Valpak to every business owner because it works very well."**
