Wilbur Forbes started mailing with Valpak back in January 2017. Wilbur wanted to build up his Family Dining Restaurant in the great Hampton area and bring in new patrons. We asked Wilbur to comment on the success he is having with his Valpak Print & Digital Programs on camera and this is what he had to say. Wilbur **"I haven't counted in a while; I would say a Couple HUNDRED, Easily."** In your other hand are those competitors' coupons? **"Yes."** So how happy are you with Valpak? **"I'm Very Happy! I always see very good results. People Love us and sometimes they use this coupon even for a 2 eggs, home fries and toast and get \$2 Off and they are very happy!"**

A Picture of Wilbur holding well over a 100 Valpak Coupons in his left hand and a much smaller number in his right hand of other competitor's coupon returns. ***"I'm Very Happy!"***
